

We Are Hiring!

Life is too short to be stuck in a tedious job! We are on the lookout for an Arboricultural Consultant to join our amazing team.

Work diversity is a driving force for JCA so it's no coincidence that JCA staff get involved with a wide range of projects; not just BS 5837. Of course, we do this, however, we also do safety surveys, decay detection work, subsidence surveys, tree health projects, pest & disease work, woodland management plans, mortgage surveys, planting schemes. There is also the opportunity to get involved and work alongside our Ecology team with protected species surveys (Bats, Newts, Reptiles etc) Preliminary Ecological Appraisals, overseas work, training & lots of other stimulating projects.

This is a full time, permanent post with a negotiable salary, a generous flexi-time system, a pension and a bonus scheme. A company car will also be offered to the successful candidate.

If you can fulfill the requirements of the role and have a passion for trees, attach your CV and covering letter detailing your availability and aspirations to;
