

We're Hiring!

Ecological Consultants

We are seeking ecologists of all levels to expand our amazing team. Whether you are new to the industry and looking to start your career or an experienced ecologist seeking a new challenge with a growing team, we want to hear from you. JCA Ltd is an established arboricultural and ecological consultancy which operates throughout the UK and occasionally beyond.

Based in Halifax, West Yorkshire, we have a strong reputation within the industry. We are an innovative company with a unique, friendly atmosphere among our skilled team of 19 arboriculturist, ecologists and admin staff. JCA is an organisation with a strong emphasis on taking care of our people. We believe work/life balance is a key component to a happy and motivated team. Diversity of work is also an important contributor to this, and at JCA we work on a wide range of development projects.

We are currently working actively on diversifying our offering within the field of ecology which will bring many more exciting opportunities. We welcome applicants from a diverse range of backgrounds and experiences. The important thing for JCA is for you to demonstrate that you can assimilate with and add value to the team.
